Auto Collector

2.5L airbag inside frees your hand for almost a month and avoid any air pollution. 19KPa collector suction power makes each cleaning cleaner than you expected!

Vibration mopping

Imitating manual wiping by latest technology, 2 separate mopping parts working in vibration brings cleaner result, E-controlled water tank helps you control the water flow in different rooms and avoids seepage.

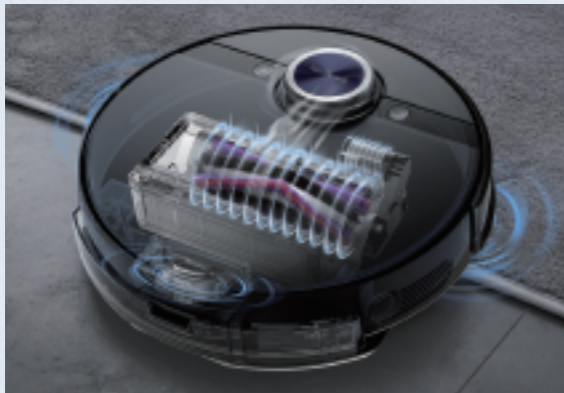

5200mAh big battery

Long battery life for 180min and covering 250m².

Carpet detection

Maximum the suction power when running on carpet, back to normal after leaving carpet.

4000Pa BLDC motor

Super BLDC motor brings excellent cleaning experience, with 4 levels to choose.

Washable dustbin

Simple enough maintenance, you could just wash the dustbin and wipe it dry.

Different cleaning mode

Selective room or area cleaning, one by one cleaning, deep cleaning, zigzag cleaning, fitting all your cleaning needs.

5th Generation of LDS

Laser navigation results high precision mapping in cm-level, breakpoint cleaning support, advanced map function support.
